Creating a Strong Leadership Team

Introduction

Introduction In a growing organization the leadership should work together and set the tone for the whole business.

Objectives This course delivers the key elements of how to create a leadership team that is a model for the rest of the organization. The Strategies and Tips are practical tools and methods to create and maintain a shared vision, define roles and responsibilities, and determine mutual goals and priorities. Key Points also include techniques for avoiding power struggles and resolving issues to keep leaders focused and aligned.

Designed for Leaders of growing organisations or departments, who want to build an effective management board.
