Recognising Employee Performance

Introduction

Introduction Motivated employees don't just happen they are the result of effective leadership.

Objectives You will learn how to lay the groundwork for successfully recognizing employee performance, and find out how to identify the recognition methods that your organisation offers. There are suggestions for powerful non-monetary rewards and ideas on how to use the job as a way to recognise and motivate. There are also techniques to help you deliver recognition effectively through coaching and feedback.

Designed for Managers and Supervisors who want to improve their understanding of staff performance.
